Shared Leave Bank - Please Consider Giving!

Goodwin Living team members may donate some of their accrued leave (PTO) to team members who are caring for a loved one and have exhausted their own PTO. If you've been thinking about donating some of your accrued leave to the Shared Leave Bank, we've made it easy for you. [Simply fill out the form linked HERE](#) and submit it to HR@GoodwinLiving.org. From one hour of PTO to up to 40 hours; no donation is too small!

Benefits for Saving on Childcare

Do you pay for dependent care so you can work? This may include daycare, preschool, before/after-school programs, summer day camps, babysitters or adult daycare. A Dependent Care FSA (DC FSA) can help you save money!

- **Save on taxes:** Contributions are taken pre-tax, lowering your taxable income. This can significantly reduce what you owe. For example, Contributing \$7,500 could potentially save you about \$2,250 in taxes.
- **Use funds for eligible child or adult care expenses.**
- **Easy to use:** Money is deducted from your paycheck throughout the year, making it easier to manage expenses.

When Annual Open Enrollment begins on October 20, consider a Dependent Care FSA to save money! Contact HR@GoodwinLiving.org with questions.

Join the Parade of Cultures and Traditions

The Celebration of Cultures and Traditions / Parade of Nations returns to GHA and TVA this August. [Let us know you want to participate in the celebration by completing this form.](#) If you'd like to help coordinate this event, please text 703-517-3633 or email JHobbs@GoodwinLiving.org. [Check out the June Calendar of Celebrations and Observances here.](#)

Raffle Challenge

Congratulations to Matilda Berko, GHBC Environmental Services, who won the April raffle! The question was *How many weeks of PTO can you carry over into the new fiscal year?* For those who didn't know, the answer is five weeks. Plan your vacations in advance to ensure you don't lose PTO at the end of the fiscal year, September 30. See page 33 of the [Team Member Handbook](#).

Goodwin Living Foundation Internship Program - Growing Tomorrow's Leaders, Today!

Since 2022, Goodwin Living has offered non-clinical internships in Marketing & Communications, Human Resources, Life Enrichment and more!

Thanks to the generous donors to the Goodwin Living Foundation, these paid internships give students hands-on experience and support workforce needs in senior living. Interns also create meaningful connections with resident mentors that enrich both generations. To date, 18 interns have joined Goodwin Living as team members!

We host interns year-round. Candidates can check back on the Goodwin Living careers page for future opportunities!

To learn more about internships at Goodwin Living or share the opportunity with interested candidates, visit the Goodwin Living website - <https://goodwinliving.org/work-with-us/internships/>

Important Information about Relias Login!

Relias has gone through a system update, and as part of this change, all Relias accounts will now use your **ADP Associate ID/Employee ID** as your login username. Team members should have received an email on May 15 with updated login details and instructions to find their ADP Associate ID/Employee ID. Please review that email carefully and follow the steps provided to access your account. [Instructions are also here for your convenience.](#)

If you did not receive the email or are experiencing issues logging in, please contact JPark@GoodwinLiving.org for assistance. Thank you for your attention to this update and for continuing to complete your required learning in Relias.
